Now!

# EVENTS

## <STREAM 1>

### HackNova

Code. Create. Conquer.

Step into the world of high-speed innovation where your creativity, logic, and teamwork will be put to the ultimate test -in just 8 hours!

### RoboKarts

Speed, Precision, Autonomy!

Get ready for high-speed thrills and precision engineering! RoboKarts is a line-following robot racing challenge where speed, accuracy, and strategy decide the champion.

# EVENTS

<STREAM 2>

## PitchSpark

Pitch it. Prove it.

Where innovation takes the mic and ideas steal the spotlight. Pitch it like it's already changing the world.

## Ctrl + Convince

Argue. Analyze. Win

Where facts meet fire, and opinions collide with innovation. It's a battle of bytes and brilliance.

# EVENTS

## <STREAM 2>

### Prompt & Pixel

Pixels + Algorithms = Masterpieces

It's a canvas like you've never seen before!!

Let the machines fuel your art in a clash of creativity!

### QuickBits

Quick minds. Quality chaos.

QuickBits puts your brain on the buzzer.

Only the sharpest survive this knowledge showdown.

# EVENTS

## <STREAM 2>

Cicada

Clues, codes, and clever minds.

Unravel secrets in a maze of mystery and tech.  
The hunt begins  
only the sharpest will see the pattern.

# EVENTS

## <STREAM 3>

### BrainFuel

Blink and it's blank

One glance, and it's gone — can your brain cache the code? Welcome to the ultimate memory-meets-syntax challenge.

### Shhh...Tech Only

Loud music. Silent clues

Music in the ears, tech on the lips, confusion in the air. It's teamwork, tech, and total miscommunication!

# EVENTS

## <STREAM 3>

### Head's Up

Byte-sized info, full-stack fun.

Only clues — just confusion. From "Quantum Computing" to "404 Error" — good luck explaining that!

### Sketch-A-Tech

Draw it. Guess it. Laugh at it.

Get ready for a sketchy challenge of circuits, code, and creativity! A race against time where tech terms become your canvas.

# EVENTS

## <STREAM 3>

### Tambola.exe

Not your grandma's tambola.

We swapped numbers for nerdiness — welcome to the tech edition!

Cross out terms, crack up, and claim victory.

### Puzzle Relay

Piece by piece, pass by pass.

Solve puzzles in a relay of logic and speed.

The clock's ticking, and the pieces won't place themselves!

# EVENTS

<STREAM 3>

## KeySprint

Click. Clack. Attack.

Crush the paragraph with flawless fingers, where speed meets accuracy. Every letter counts, every second matters.

## Arcade Your Way In

Arcade action, ticket traction, prize satisfaction!
